

NITHISHKUMAR K

Python Developer — Automation Engineer — SQL & Data Processing

Chennai, Tamil Nadu, India

+91 9787169246 — nithi11716@gmail.com — Portfolio Website

Professional Summary

Motivated Python Developer fresher with practical experience in automation scripting, data processing, and back-end fundamentals using Python and SQL. Skilled in workflow automation, structured data handling, debugging, and problem-solving.

Technical Skills

Languages: Python, SQL

Libraries: Pandas, NumPy, Matplotlib

Database: MySQL, Joins, Aggregations, Subqueries

Tools: Git, GitHub, VS Code, Advanced Excel

Core Skills: Automation Scripting, Data Processing, OOPs, Debugging

Professional Experience

Python & Data Operations Intern

May 2025 – Oct 2025

RR IT Solutions, Chennai

- Developed Python scripts to clean and process datasets containing 5000+ records.
- Automated recurring reporting workflows using Python and Excel templates.
- Used Pandas and NumPy for preprocessing and structured data transformation.
- Wrote optimized MySQL queries for efficient data extraction and reporting.
- Reduced manual effort through automation-driven workflows.

Projects

Employee Attendance Management System

Python, MySQL

- Developed attendance tracking application with employee record management.
- Integrated MySQL database for secure data storage and retrieval.

CSV Data Automation Tool

Python, Pandas

- Built automation tool for cleaning CSV datasets and generating reports.
- Implemented duplicate removal and missing-value handling workflows.

Sales Data Analytics System

Python, Pandas, Matplotlib

- Analyzed sales datasets to identify revenue trends and business insights.
- Generated visual reports using Matplotlib charts and analytics.

Education

B.E. Electronics and Communication Engineering

NPR College of Engineering and Technology

2021 – 2025

CGPA: 7.35 / 10

Certifications

- Python for Data Science – Besant Technologies
- SQL for Data Analysis – Besant Technologies
- Python Programming Certification
